

**City of South St. Paul
Dakota County, Minnesota
Ordinance No. _____**

**AN ORDINANCE AMENDING SOUTH ST. PAUL CITY CODE SECTION 118-8 AND
118-121 – 118-130 REGARDING SMALL WIRELESS FACILITIES IN ALL ZONING
DISTRICTS AND CREATING TWO INDUSTRIAL ZONING DISTRICTS**

The City Council of the City of South St. Paul does ordain:

SECTION 1. AMENDMENT. South St. Paul City Code Section 118-8 is hereby amended as follows:

Sec. 118-8 Definitions

Essential services, public utility uses means underground or overhead gas, electrical, steam, or water distribution, collection, communication, supply, or disposal system, including poles, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, or other similar equipment and accessories, but not including buildings, transmission services or antenna, small wireless facilities, or personal wireless service towers.

SECTION 2. AMENDMENT. South St. Paul City Code Section 118-8 is hereby amended as follows:

Sec. 118-121. - R-1, single-family district.

(a) *Permitted uses.* Within the R-1 single-family district, no building, structure or land shall be used except for one or more of the following uses, unless otherwise provided in this chapter:

(1) *Principal use.*

- a. One single-family dwelling (not to include mobile homes).
- b. Churches, chapels, temples, and synagogues, including Sunday schools, and parish houses meeting the requirements of this district.
- c. Public parks and playgrounds.

(2) *Accessory uses.*

- a. Garages used as an accessory to the dwelling and located upon the same lot or an adjacent lot under single ownership, intended or capable of providing for the storage of motor vehicles and in which no business, occupation or service for profit is in any way conducted, as regulated herein by the performance standards section 118-208.

- b. One accessory building or structure, in addition to the garage, the use of which is incidental to and located on the same lot as the dwelling, as regulated herein by the performance standards section 118-208.
- c. Swimming pools and tennis courts, as regulated herein by the performance standards section.
- d. Keeping of domestic pets.
- e. Fences, signs, and recreation equipment, as regulated herein.
- f. Residential business office.
- g. A PWS antenna located entirely inside a building or structure.
- h. Keeping of chickens as per the backyard chicken regulations found in section 15-9.

(b) *Uses by conditional use permit.* Within the R-1 district, the following uses shall be by conditional use permit only:

- (1) Accessory buildings that exceed the height or size requirements in city code section 118-208.
- (2) Hospitals or sanatoriums, philanthropic and charitable institutions, except correctional institutions and animal hospitals. Any building permitted to be used shall have an appearance that shall be in appropriate harmony with the residential character of the area.
- (3) Essential services (public utility and municipal services).
- (4) Elementary, junior, and senior high schools and incidental and accessory uses, when situated on the same site or unit of property.
- (5) Cemeteries.
- (6) Home occupations.
- (7) A PWS antenna mounted on the outside of an institutional building or structure of any height, as defined in section 118-207, and any governmental building or structure.
- (8) A small wireless facility, as defined in section 54-402, that is located in the right-of-way, as long as all provisions of section 54-400 – 54-429 have been met.

~~(7)~~

~~(8)~~(9) A detached garage when the principal dwelling already has an attached garage. No more than one detached garage shall be allowed per lot or per property under single ownership.

(c) *Building height, width, and area requirement.* Within the R-1 district, residential dwellings must comply with the following:

- (1) Shall not exceed a height of three stories, or 28 feet above grade as defined in the Minnesota State Building Code;
- (2) Shall be a minimum of 24 feet wide; and
- (3) Shall have a minimum area footprint of 800 square feet.

(d) *Lot requirements.* Within the R-1 district, the following requirements shall apply:

- (1) *Lot area, width, and depth.* Each dwelling, together with its accessory buildings, shall be located on a lot having an area not less than 9,000 square feet, width of not less than 75 feet, and depth of not less than 120 feet, except that a dwelling may be erected on a lot platted prior to May 1, 1967, having less than the foregoing area and width but having no less than 4,500 square feet of lot area.
- (2) *Ingress and egress.* All lots shall front on a public street or have adequate ingress and egress to a public street.
- (3) *Percent of land use.* All dwellings and accessory buildings on any lot shall not cover more than 30 percent of the area of the lot (see article VII of this chapter for additional requirements), except that all dwellings and accessory buildings on a lot containing 5,000 square feet or less shall not cover more than 35 percent of the lot.
- (4) *Front yard.* No building shall be erected, reconstructed, altered or moved nearer to the front lot line than the average setback observed by residential buildings on the same side of the street and fronting thereon within the same block. Further, no part of the structure shall be closer than 25 feet to the street line on which it faces, except when the average setback is less than 25 feet.
- (5) *Side yard.* There shall be a side yard of not less than five feet along each side of each building located on an interior lot having a frontage of 60 feet or less; such side yard on a lot having a frontage of more than 60 feet shall be not less than nine feet; provided, however, that a garage having no basement below it may have a side yard of not less than five feet if located in the front two-thirds of the lot, and no less than three feet if located entirely within the rear one-third of the lot. There shall be a side yard of not less than nine feet on the street side of any structure constructed on a corner lot. No building shall be placed within ten feet of any dwelling unit on an adjacent lot.

- (6) *Rear yard.* Each lot shall have a rear yard of not less than 25 feet in depth, except that a garage may be constructed within the 25-foot rear yard. A garage shall have a setback from the rear property line of not less than three feet unless the entrance faces an alley or street, then the garage shall be set back no less than eight feet from the rear property line.
- (7) *Conditional use permit requirements.* All uses by conditional use permit shall provide such setback in front, side, and rear yards as the city council shall determine, taking into account the proposed use, the character of the surrounding area, the density of the area, and other relevant factors.
- (e) *Off-street loading and unloading berths.* In the R-1 district, off-street loading and unloading shall be governed by the provisions of article VII of this chapter.
- (f) *Prohibited uses.* The following uses are prohibited because they are not compatible with the purposes of the R-1 single-family district: PWS towers and antennas, except as permitted under subsections (a)(2)g and (b)(7) of this section and small wireless facilities located outside of the right-of-way.

Sec. 118-122. - R-2, single- and two-family residence district.

- (a) *Permitted uses.* Within the R-2 district, no structure or land shall be used except for one or more of the following uses, except as otherwise permitted by this chapter:
 - (1) Principal and accessory uses permitted in the R-1 district;
 - (2) Duplex or twin home (see subsection (e) of this section); and
 - (3) A PWS antenna located entirely inside a building or structure.
- (b) *Uses by conditional use permit.* Within the R-2 district, the following uses shall be by conditional use permit only:
 - (1) All uses allowed by a conditional use permit in the R-1 district; and
 - (2) Home occupations as defined in this chapter.
- (c) *Building height requirements.* Within the R-2 district, the permitted building height, width, and area shall be as regulated in the R-1 district.
- (d) *Lot requirements; single-family dwellings.* The requirements shall be the same as specified in section 118-121(d) to all single-family dwellings in the R-1 district.
- (e) *Lot requirements; two-family dwellings.* The following minimum lot and building requirements shall apply to all two-family dwellings in the R-2 district whether the two-family homes are newly constructed or are newly created by remodeling an existing structure which was previously not a two-family dwelling:

- (1) *Lot area, width, and depth.* No two-family dwelling shall be erected on a lot having less than 9,000 square feet of area and having less than 75 feet in width except that a building may be constructed on a lot platted prior to May 1, 1967, provided there is not less than 60 feet of frontage, and 7,500 square feet of area.
 - (2) *Percent of land use.* The two-family dwelling and accessory buildings on any lot shall not cover more than 35 percent of the area of the lot.
 - (3) *Access to unit.* Each unit of the two-family dwelling shall have a separate access to the outside of the dwelling or to a common hallway or entryway.
 - (4) *Inspection and license.* Each rental unit within a two-family dwelling shall be inspected in accordance with article VII of chapter 106 of this Code prior to occupancy.
 - (5) *Separate bathroom, kitchen, sleeping area.* Each dwelling unit must have a separate bathroom, kitchen and sleeping area.
 - (6) *Miscellaneous.* The requirements of section 118-121(d)(2) and (d)(4)—(6) shall apply to two-family dwellings.
- (f) *Off-street parking, loading and unloading berths.* Within the R-2 district, the provisions of article VII of this chapter shall apply.
- (g) *Prohibited uses.* The following uses are prohibited because they are not compatible with the purposes of the R-2 residence district: PWS towers and antennas, except as permitted under subsections (a) and (b) of this section and small wireless facilities located outside of the right-of-way.

Sec. 118-125. - CGMU, Concord Gateway mixed-use district.

- (a) *Purpose.* The purpose of the Concord Gateway mixed-use (CGMU) district is to provide an area for compact, mixed-use development made mutually compatible through a combination of careful planning, urban design and coordinated public and private investment. The mixture of land uses within the district is essential to establishing the level of vitality and intensity needed to support retail and service uses. The placement of building edges and the treatment of building, parking, landscaping, and pedestrian spaces is essential to creating the pedestrian-friendly environment envisioned for the CGMU. The standards in this section are intended to implement and effectuate the principles and relationships established in the city's Concord Gateway Framework Plan, a copy of which is on file in the office of the city clerk, which will be carried out through specific standards related to site planning, signage, architecture, building materials, and landscaping. The CGMU is divided into two subdistricts, CGMU-1 and CGMU-2, as depicted on the official zoning map.

(b) *Permitted uses.* Within either the CGMU-1 or CGMU-2 subdistricts, no structure or land may be used except for one or more of the following uses, provided such use is less than 10,000 square feet in gross floor area:

- (1) Accessory store, apparel.
- (2) Altering, pressing and repair of wearing apparel.
