OUTDOOR ICE RINKS & SHELTERS

The Parks and Recreation Dept. offers an information hot-line on all closings of shelters and rinks during the winter months. Sites may be closed and programs canceled if any of the following weather and ice conditions occur:

* The temperature is -10 degrees or colder
* The wind-chill index is -15 degrees or colder
* Two or more inches of snow have fallen and the rinks have not been cleared
* Warm temperatures soften the ice, making it unsafe
