Sip & Spell General Information

-The spelling bee will be held Thursday, September 26 at 6:30 PM at Croatian Hall (445 2nd Ave S, South St. Paul, MN).

-Rather than the traditional "spell it wrong and you're out" format, the spelling bee is points based.

-The competition consists of six rounds. Elimination of low scoring teams is done after rounds three and five, leaving two teams for the sixth and final round. The winning team of the final round will be named champions.

-For most rounds, team members confer and agree on the spelling of their given word. Certain rounds may require a designated team member to spell a word without the aid of other team members.

-Use of smart phones or other aids during the competition is not allowed, nor is conferring with audience members. Any team caught seeking outside help or otherwise cheating will be disqualified.

-Trophies will be given for the winning team, best team name and best costumes.

-All spelling bee participants will receive a Sip & Spell pint glass.

-Full cash bar.

-Spectators are welcome with a monetary donation to Neighbors, Inc. encouraged at the door.
