PRESCHOOL day camp

South St. Paul Parks and Recreation offers day camps for children who are **3 years old on or before January 1, 2022**. Our little campers will enjoy singing songs, playing games, and making crafts around each week's theme. **This program is from preschoolers ages 3-5 (must be toilet trained)**. Our trained staff will focus on positive self-esteem, cooperative play, and having fun in a happy and safe environment.

Camp Themes:
