Touch a Truck Event

Immediately following the Kaposia Days Children's Parade, check out a variety of BIG trucks and vehicles. We'll be joined by the South St. Paul Police Department, South Metro Fire, SSP Public Works and so many more cool vehicles. View the vehicles up close, pose for photos and learn about the various vehicles. Kids of all ages can experience how the trucks work.

Join the Mayor & City Council members for ice cream treats & good conversation. Be part of the Kaposia Days Kiddie Parade at 10:00 am and dress as your favorite Storybook Character and parade to the Touch A Truck Event. Then have fun exploring vehicles.
